'London In Egypt'

In collaboration with the Ministry of Health and Population (MOH) of the Arab Republic of Egypt, London International Patient Services (LIPS) is pleased to offer access to world renowned British doctors in Egypt, providing high-quality, individualised and economical healthcare for patients from the Middle East, Africa and other countries seeking specialist treatment abroad.

OUR DOCTORS IN EGYPT

Our consultants are world leaders in their respective fields and are proud to share their expertise with globally recognised hospitals in Egypt. 'London In Egypt' allows our doctors from top London teaching hospitals to manage specialist units across nominated hospitals in Egypt.

Our consultants will be involved throughout the patient pathway, from attending outpatient clinics, performing inpatient ward rounds to undertaking operative procedures. Their devoted input ensures each patient is offered outstanding care. In addition to clinical work within Egyptian hospitals, our Doctors aim to provide their support for service development and quality improvement projects.

WHY EGYPT?

Egypt's ideal geographic location and climate as well as its riveting ancient history already makes this a sought-after hotspot for tourists. This combined with internationally accredited hospitals make medical tourism even more attractive.

With the provisions of the latest medical equipment alongside the support of renowned regional doctors, 'London In Egypt' presents the opportunity to deliver the highest level of healthcare at competitive prices.

WHICH HOSPITALS?

We are proud to be affiliated with the following nominated MOH accredited hospitals:

Sharm International Hospital (Sharm El Sheikh)

Luxor International Hospital (Luxor)

Sheikh Zayed Specialized Hospital (Cairo)

Dar El Shefa Hospital (Cairo)

WHICH PATIENTS?

'London In Egypt' will be accessible by all international private patients seeking treatment abroad including: (1) self-pay, (2) insured and (3) government sponsored patients.

WHAT ABOUT PRICES?

'London In Egypt' secures international private patients access to healthcare from our world-renowned doctors from London at significantly lower prices compared to the UK and other developed countries. This is illustrated with an example below:

Case Study of Price Package for Primary Total Knee Replacement (TKR) Surgery

Average hospital price package for primary TKR includes 7 nights' accommodation, professional fees, implant costs, examination, tests, medications and supplies:

UK	\$21,200
Dubai	\$23,000
Germany	\$26,000
USA	\$38,000
London In Egypt	\$10,000*

*prices quoted in USD(\$) are for guidance only
